December 1983

During your 1983 fiscal year, Classen Government Services, Inc., supplied hundreds of vehicles to departments and agencies of the Federal Government and to the Army, Navy, Air Force, Marines and Coast Guard under contract GS-OOS-64060.

For fiscal year 1984, we are again pleased to be a supplier under contract GS-OOS-64543. Under this contract, we will be supplying your needs for standard item No. 32, a panel van with a 2000 lb. payload. A specification sheet is enclosed.

In addition to this vehicle, we can provide many other types of vehicles that you may require for your very particular needs. We are enclosing specification sheets on several such representative vehicles.

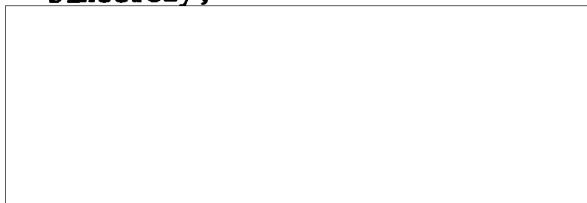

Also for your information we are including a copy of a summary of the GS-OOS-64543 contract.

We are ready to respond to your needs.

We can be reached by telephone at (203)964-9881.

May we hear from you.

Sincerely,
